FALL 2018

FALL Bulletin

Dear Parents and Caregivers:

As a charity and a not-for-profit that has served the Central Okanagan for over 50 years, Starbright has been in need of more space for quite some. The Board of Directors have made a bold move – they have purchased the Mainstreet Community Church that is located right next door. Renovations will be needed for the building will provide much needed additional space for the children we see. To see more about this, please go to the website below.
